4. The Member-Secretary, Admission & Fee Regulatory Committee has also issued the following directions to the private Nursing & Para-Medical colleges concerned in the proceedings issued by the Committee relating to the fixation of fee structure for the above said Graduate & Post Graduate Nursing and Para-Medical courses.

- i) The Management shall not charge any capitation Fee and there shall not be any Profiteering. Except the above Fee fixed by the Committee, no other amount, either directly or indirectly can be charged un-authorizedly or illegally by the Management. If any such other amount is charged under any other head or guise (e.g. donation etc.) it would amount to charging of Capitation Fee. The surplus (Profit) that is generated from the collection of the Fee must be for the benefit of the institution and cannot be diverted for other purposes or for personal gain.
- ii) The students admitted to the course during the academic years 2014-15, 2015-16 and 2016-17 shall pay every year the same annual tuition fee as paid at the time of their admission till they complete the course.
- iii) The students who were admitted to the course prior to the academic year 2014-15 shall continue to pay every year the same annual fee at the rate existing at the time of their admission till they complete the courses.
- iv) The institutions shall collect the Annual Tuition Fee every year in advance only for that particular year either in lump sum or in installments, if it so opts.
- v) The fixation of the Fee structure by the Committee will not by itself enable or permit the managements to run the relevant courses in their institutions, if they are otherwise not duly recognized and permitted by the Government/NCI/Concerned University at any relevant time.
- vi) As contemplated in Rule 4(V) of the AFRC. Rules issued in G.O.Ms.No.6,HE(Ec.2) Deptt., dt. 8/1/2007, the Govt. has to notify the Fee Structure determined by the A.F.R.C.
